

THE FITZGERALD

ELEVATION 2

ELEVATION 1

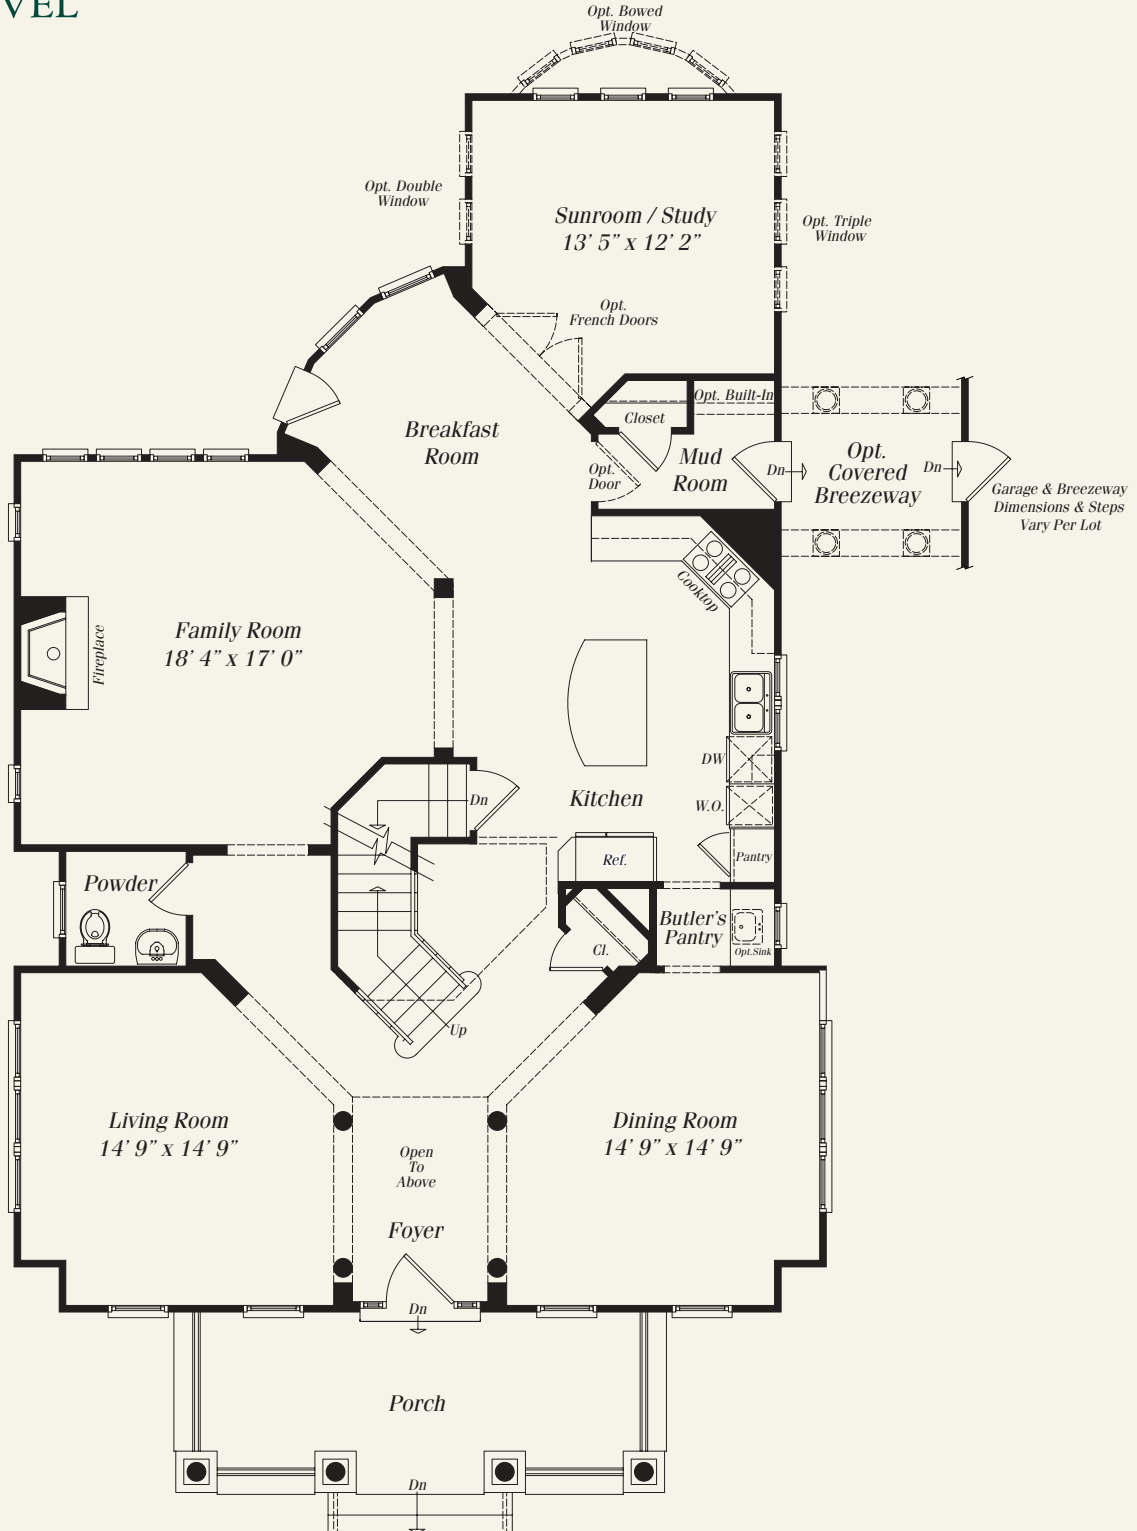

ELEVATION 3

The Fitzgerald displays the architectural design that made the Shingle style a treasure of the early 20th century, and continues to make that classic American style so popular today. Its wide front porch and crisp lines are understated yet elegant, and that elegance continues inside, where light fills every corner. The Fitzgerald mesmerizes further with an inviting interior of unique angles, sweeping window vistas, and many rooms defined by columns rather than walls.
