Victorian and Craftsman design cues hearkening back to the 1880's and 1890's epitomize The Woodlawn, with one exterior option including peaked gables and a turret-style wrap-around front porch. Inside, The Woodlawn can be as formal or as casual as you choose. Sweeping, open, light-filled spaces compose the main level, from a grand reception foyer with a dramatic staircase, flanked by formal living and dining rooms, to its spacious family room with an intriguing optional bowed wall of windows.
